ABOUT ME

Your brand's single point of contact

Clients trust me to keep communication clear, timelines tight and every piece of work consistent with their brand.

I bridge the client and the creative team. I take the brief, turn it into a clear plan, follow through on every deliverable, and come back with reporting that shows what worked and what we do next.

WHAT I HANDLE

Complete account management

01 Client Communication

Onboarding, briefs, regular updates and approvals — the client always knows where their work stands.

02 Content Planning

Monthly content calendars, post ideas, captions, and festival and launch planning aligned to brand goals.

03 Social Media Handling

Scheduling and publishing across Instagram, Facebook and more, with consistent visuals and tone.

04 Team Coordination

Briefing designers, editors and writers, tracking deadlines and quality-checking every deliverable.

05 Community Engagement

Replying to comments and DMs, handling queries and keeping the brand's audience active.

06 Reporting & Insights

Monthly reports on reach, engagement and growth — with clear next steps for the client.

ACCOUNT GROWTH STRATEGY

How I grow an account

A step-by-step approach: build a strong base, post consistently, engage the audience, then scale what works.

01 Foundation

Profile audit, bio, highlights, competitor & audience research, content plan.

02 Consistency

Regular posting with a content calendar, reels and on-brand visuals.

03 Engagement

Replying to comments & DMs, collaborations, stories and community building.

04 Scale

Monthly reports, doubling down on what works, and paid promotion where it fits.
